THE BIG CAT
SANCTUARY

Barchester – Sutton Valence Care Home, Mosaic Competition

The beautiful mosaic was designed by Adele.

The drawing on the below right was entered into the competition and won.

Below left is the finished mosaic which is on the wall in the garden of the home.

The **SHIELD** – Not just because we were shielding at the time when this competition was set – But ALL the staff have earned this shield three times over.

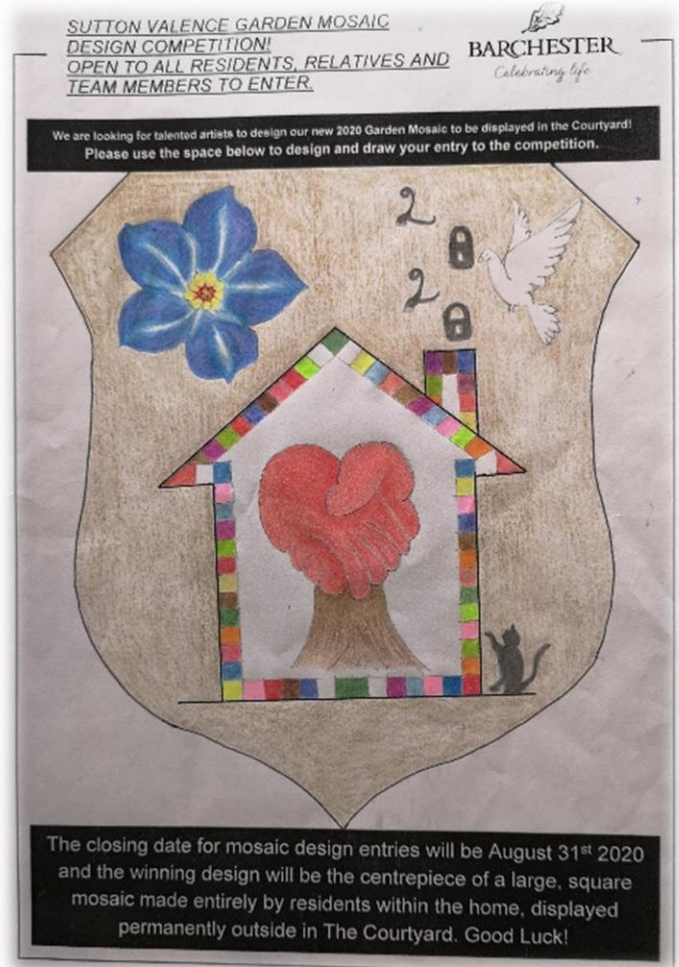

The Home is the hub where we live the **SMALL COLOURED SQUARES** around the home makes us one large all-inclusive family.

The **TREE, HEART** and **HANDS** – The **TREE** is for the Tree of Life, it symbolises togetherness, it is a reminder to us all you are never alone or isolated, we are one large family, and the tree just keeps growing. The Tree leads into the **HEART** which is made up of the **SHAKING** of **HANDS** is expressing gratitude to say 'Thank you' for all you do.

The **HANDS** give the quality care that we receive daily, they also keep the home looking and running 100%.

DOVE – the sign of peace, but because of lockdown it was our messenger, to send those messages home to our friends and family.

FORGET-ME-NOT – The flower that is planted to say we will never forget our loved ones. Also not forgetting the staff members that has moved onto pastures new.

2020 and the **PADLOCKS** – 2020 this is the year the competition was set, it happened to be the year that we never want repeated, the World was hit by the Covid-19 virus we were in Lockdown no one out, no one in, well apart from the dedicated staff who were also on Lockdown when they left us. To mark Lockdown, the zeros in 2020 are replaced with **PADLOCKS** you will then notice the second zero is an open **PADLOCK** we were all just hoping at the end of 2020 Lockdown would be lifted and started to be forgotten about the world returning to some normality.

The **CIRCLES** and **SQUARES** around the shield edge are for the blind and partially sighted people to get an understanding of the shield shape.

MORSE CODE – the Dots and Dashes, circles and squares along the top of the shield edge make up a five-letter word. (**SMILE**).

I hope when you look at **MY SHIELD** your Smile and if you Smile, others will smile with and around you.

Words by Adele.
